The last date of receiving tenders is on 15th September 1940.

K. S. HUTCHA RAO,
Sanitary Engineer.

KOLAR DIVISION.

Abstract Notification dated 19th August 1940.

The attention of the public is invited to the detailed notification dated 13th August 1940, published on pages 1868-1872, Part VI of the *Mysore Gazette*, dated 22nd August 1940, regarding tenders for construction of a New Musafirkhana with Kitchen Block and Drinking Water Well near Vidhuraswatha in Goribidnur Taluk.

The last date for lodging of tender is 7th September 1940.

Abstract Notification dated 22nd August 1940.

The attention of the public is invited to the detailed Notification dated 22nd August 1940, published on pages 1891-1894, Part VI of the *Mysore Gazette*, dated 29th August 1940, *re* tenders for providing a scouring sluice of 2 vents 3′×2′ for the Kothakote Ane in Bagepalli Taluk.

The last date for receiving the tenders is 16th September 1940, up to 2 P.M.

C. R. IYENGAR,
Executive Engineer.

MANDYA DIVISION.

Notification, dated 29th August 1940.

1. Sealed tenders will be received at the Office of the Executive Engineer, Irwin Canal Construction Division, Mandya, up to 2 P.M. on 23rd September 1940, for constructing Staff Quarters required by the Channel staff proposed to be constructed in different places in Mandya District, as detailed in the Statement.

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Irwin Canal Construction Division, Mandya, should be addressed to the Executive Engineer, Irwin Canal Construction Division, Mandya, in a sealed cover and superscribed as "Tender for constructing (separate item of work is to be entered here for the work for which tender is given)." The name of the tenderer should also be superscribed on the top of the cover. Separate tender is to be given for each work.

3. Each tender must be accompanied by a Treasury Challan for having deposited Rs..... (in figures) to "17 (*a*) P. W. Deposits. (Rupees in words). Amount to be deposited as noted in the statement below, in cash or Government Promissory Notes or Mysore Government Bonds, duly endorsed at face value or market value, whichever is less, as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest. A further sum of 5 per cent will be recovered in bills to make up a total of 10 per cent.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 30th September 1940 at 4 P.M. The final acceptance of the tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office, Irwin Canal Construction Division, Mandya, in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.
